Welcome to Eastside Elementary Kindergarten! We are happy to have your child registered at our school and look forward to working with him/her this fall! The first few weeks of school are planned to help the kindergartener make a smooth transition from home to school. The first few days of school will be used to give a kindergarten screening (mandated by the state). Following assessment days, attendance will be staggered. One half of the students will come each day enabling them to adjust more readily to the new routine of being in school. You will receive a letter this summer stating your child's appointment time for the assessment, along with the date and time of our parent meeting. **PLEASE BRING ALL OF YOUR CHILD'S SCHOOL SUPPLIES ON TESTING DAY IN A GARBAGE BAG LABELED WITH YOUR CHILD'S FIRST AND LAST NAME.**

All girls will attend school on Wednesday, August 16, 2023.

All boys will attend school on Thursday, August 17, 2023.

On Friday, August 18, 2023 all kindergarten students attend.

We will meet with "Just Parents" before kindergarten begins. At this time, our principal will discuss kindergarten procedure, school rules and regulations, bus schedules, etc. In addition, you will meet your child's teacher. If neither parent can attend this, you may have a grandparent or other adult represent you. We look forward to a wonderful year with your child.
