INSTRUCTIONAL MATERIALS, SUPPLIES, AND WORKBOOK FEES

Workbooks are items that supplement our adopted textbook series and/or curriculum. These workbooks assist students in practicing skills that are introduced to them by teachers. Teachers also copy many worksheets that supplement the skills students are learning. Planners for third, fourth and fifth grade students help to organize students so they will be successful. Our folders that are sent home daily and weekly enhance communication between school and home. Science and art materials are also items that enhance lessons.

Instructional materials, workbooks, and supply fees are listed below:

Kindergarten: \$45.00
First Grade- \$45.00
Second Grade \$45.00
Third Grade- \$45.00
Fourth Grade- \$45.00
Fifth Grade- \$45.00

The kindergarten supply fee will provide each student with all necessary school supplies except the following: book sack, blue and red rest mat, tissue, and paper towels. A few supplies may be requested (paper plates, sandwich bags, etc.) after students have begun school.

Supply fees should be paid as soon as possible. Half of the fee must be paid at the beginning of the year, with the remainder paid no later than the third nine weeks. We will be glad to assist you in making smaller payments if necessary. Please contact the principal or bookkeeper to discuss this option. Monthly/weekly payments are allowed if needed.

When making any type of payment to Eastside, we recommend going online to pay all fees. The link for payment is on our school website. If sending in money, please remember to send a check or money order with your child's first and last name on the check, the teacher's name and what the check is for. If you must pay with cash, we recommend a parent bring the cash to the office. Please send lunch money, supply fee, book orders, etc. on different checks as each school account must be kept separately

SCHOOL ATTENDANCE

1. A student must be in attendance at least one hundred sixty-seven (167) days to be eligible for promotion. Over ten (10) absences not covered by extenuating circumstances will result in retention, regardless of grades of a student.
2. A written excuse, dated and signed from the doctor, must be given to the teacher the first day a student returns to school. If no excuse is handed in, the absences are unexcused. Only doctor's excuses constitute an excused absence.
3. A student who is absent $\frac{1}{2}$ or more days will not receive a Perfect Attendance Award.
4. A student may be referred to the Twenty First District Judicial Court once they are absent for five unexcused days.

CHECK-INS AND CHECK-OUTS

Students miss valuable class time each time they check in late or check out early. Please check out students only when absolutely necessary.

CHECK-INS

Students are expected to be at school on time. They must be IN the classroom BEFORE 8:30 or they will be considered tardy. If a duty teacher does not greet your child by opening the car door, your child is tardy for school and must be signed in. STUDENTS WHO ARE TARDY MUST BE SIGNED IN BY THE PERSON BRINGING THEM TO SCHOOL. FIVE unexcused tardies in one semester will result in a recess detention; EIGHT unexcused tardies, a morning detention; ten unexcused tardies a referral to the Twenty First Judicial Court; TWELVE unexcused tardies, a one day suspension. These tardies are counted by the semester and will start over the second semester. More than 90 minutes of check-in time will prevent students from earning perfect attendance.

CHECK-OUTS

Students may not be allowed to check out any later than 3:00 p.m. You must have a picture ID to speak to or check out a student and you must also be on the student's emergency card. Excessive unexcused checkouts will count toward absences. More than 90 minutes of check-out time for the year will prevent students from earning perfect attendance. Students miss valuable class time each time they check out early. Please check out students only when necessary. Excessive unexcused check-outs will be referred to the Twenty-First Judicial Court.

Students are rewarded each nine weeks for perfect attendance during that nine-week period. More than 90 minutes of check-in or check-out time will forfeit a child receiving their reward.

TRANSPROTATION

****Bus services are provided for all students. We encourage you to allow your child to take advantage of this service. Any student riding a bus must have a completed transportation form on file in the school office and at the transportation department at the Central Office. Students are given the service of only one bus in the morning and only one bus in the afternoon. For example, a student may not ride the “red bus” after school one day and the “orange bus” another day. Students are not allowed to ride a bus home with a friend. Students will only be dropped off at their assigned bus stop.**

****Carpool is a privilege. If parents fail to follow carpool rules and procedures, then your child will be required to ride the bus the remainder of the year.**

- **Morning Carpool Procedures:** Students will unload in the front drive, under the supervision of the teacher on duty. Carpoolers may arrive at school no earlier than 8:00 a.m. Front doors of the school are not unlocked until this time. Students may not exit their car until a teacher opens the car door. Class begins at 8:25 when the first bell rings. Students dropped off after the 8:30 tardy bell are considered tardy and must be signed in by a parent.
- **Afternoon carpool procedures:** In the afternoon, cars may not arrive on campus earlier than 3:20. Cars are not allowed to stop/wait on the highway or in the turn lane which blocks traffic. This procedure prevents cars from lining up onto Lockhart Road for an extended period of time. This also allows for school board personnel to leave campus and buses to arrive. An Eastside carpool tag must be visible in the window of the vehicle. Otherwise, the vehicle will need to pull around to park and show ID in the office. Carpool students must be picked up no later than 3:35 p.m. After this time students will be escorted to the office area and parents/day care workers must enter the building to check out students. If you are late picking up your child 3 times, then your child will be required to ride the bus for the remainder of the school year.

****Day Care Vans - Parents need to notify day care providers when their child has checked out from school. This assists the day care when they make their school pick-ups. If your day care center is late several times, you may be asked to provide alternate transportation, so please speak with them about timeliness in picking up your child after school. If the daycare is closed for the day, it is the parent's responsibility to inform the school and make plans for transportation during the time the daycare is closed.**

**** STUDENTS MUST HAVE A PARENT FILL OUT A TRANSPORTATION CHANGE FORM IN THE OFFICE EACH TIME TRANSPORTATION IS CHANGED. Transportation changes can no longer be made by sending a note to the school. Telephone calls and emails during the day WILL NOT be accepted to request a change in transportation. Students will only be allowed for 1 constant transportation method home in the afternoon. This is a safety issue for your child and for the school. OUR #1 PRIORITY WITH TRANSPORTATION IS TO ENSURE THAT ALL STUDENTS GET HOME SAFELY EACH DAY. Please refrain from changing transportation unless it is a permanent change.**

****The southeast entrance of the school is reserved for buses and staff from 7:30-8:30am and from 2:30-3:30pm. This is not an entrance for the carpool line. Please use the main entrance for all carpool drop offs and pick-ups. If you have a daycare or someone else picking up your child, please inform them of this policy.**

CUSTODY ISSUES

Please inform the office of any custody situations. Current custody documents must be available for us to keep on file if we are to enforce the details of the custody arrangement. These documents are kept confidential. It is the parent's responsibility to inform the office and provide necessary documentation of custody changes and updates.

EMERGENCY EVACUATION PROCEDURES

All students will be transported home in the usual way. It is important to communicate with your child about the procedures that you have established for this type of situation. If there is a possibility that the parents/guardian will not be home, arrangements should be made as to where the student will go. The students will not be allowed to call home for instructions. Parents should listen to local radio/TV stations, and monitor our social media account for news of emergency dismissals. We will be conducting emergency drills (fire, weather, etc.) periodically throughout the school year for the safety of our students and staff. If it is necessary to evacuate from Eastside Elementary for any reason, a message will be sent to all parents using our automated school messenger system.

PERSONAL HARASSMENT POLICY

The Livingston Parish School Board disapproves of and does not tolerate personal harassment by employees to students, by students to employees, or by students to students. This behavior refers to the use of unacceptable words, phrases, expressions, or derogatory statements by any person, male or female which relates any intimidating, hostile, or offensive environment.

Complaints of personal harassment which take place at school or arising out of the school setting should be made to the principal, assistant principal, guidance counselor, or teacher. The administration will conduct an investigation to gather all facts about the complaint from all known parties and take appropriate action. After the investigation, appropriate disciplinary action will take place if warranted. Retaliation against any student who files a complaint or assists in the investigation of a complaint is prohibited.

***Any type of complaint or threat will be taken seriously!**

BULLYING

Eastside Elementary School does not tolerate bullying, harassment or intimidation of any kind on its campus. Students should report such behavior to a teacher or administrator and it will be investigated, and appropriate action will be taken.

CYBER-BULLYING

Cyber-bullying is electronic communication with a cell phone, computer, or tablet that bullies, intimidates, or threatens a person. It includes sending, posting, or sharing negative, harmful, false or mean content about someone else. Cyber-bullying that takes place outside of the school setting cannot be addressed at school. Please monitor your child's electronic communication consistently.

PUBLISHED PHOTOGRAPHS/WORK

There are many opportunities for Eastside Elementary to publish student work and pictures in local newspapers, school social media accounts and websites, and/or local news stations. Parental permission will be assumed unless specifically denied. If you do not wish to have pictures of your child posted, then please indicate on the Personal Identifiable Information (PII) form as part of the online enrollment documents.

AUDIO AND VISUAL RECORDINGS

Audio and video recordings are not allowed at Eastside Elementary due to possible violations of FERPA and HIPPA, both of which regulate and protect the right to privacy for adults and minors. Any audio or video recordings require prior approval of the principal. Please note that this policy does not apply to general assemblies, award ceremonies, and other school sponsored events.

STUDENT WITHDRWALS AND TRANSFERS

If a student must withdraw or transfer from Eastside Elementary, a drop form must be completed. This form must be signed by a legal guardian. We must have a one day notice to complete this form. Notification may be made through a telephone call or note. All books (textbooks, library books, etc.) must be returned. Students should attend school on their last day as they must assist in checking in textbooks, library books, etc. and collect any personal materials they may have at school. Outstanding fees must be paid before records can be sent to the receiving school.

MESSAGES

Students will not be called from class to receive telephone calls. Only emergency messages will be delivered to students. Please send notes to teachers when possible. If a student is ill, you will be contacted. **IMPORTANT** – It is imperative that you keep your contact and emergency information current. Please call or send a note to the office if any changes are made to your information.

TOYS, GAMES, AND PERSONAL ITEMS

Only necessary school items are needed at school. Cell phones, smart watches, iPods, toys, games, electronic games, sunglasses, trading cards, fidget spinners, etc. will not be allowed on campus or on buses. These items will be taken away from students. Parents will be required to come to school for these items to be returned. If a teacher requests a certain item to be brought to school, it must be kept in the book sack until the student reaches his/her classroom. Balloon bouquets and large gifts should not be sent to students at school. They will not be delivered to the students.

STUDENTS BACKPACKS

Rolling backpacks are not allowed. Backpacks must be small enough to fit in the laps of bus riders and may not take up an extra bus seat.

LOST AND FOUND

Please stamp, write, or sew your child's name or initials into their coats, sweaters, sweatshirts, etc. that they wear to school. The school will hold lost clothing for a reasonable length of time after which it will be given to a charitable organization. You may come and look over the collection at any time. Please check with the office and you will be directed to the area where lost items are kept.

FIELD TRIPS

Students are given opportunities to extend their academic education through off campus field trips. These field trips are directly related to skills that students have recently studied. School and classroom expectations extend to any off-campus activity.

Any student not displaying proper school and classroom expectations may be excluded from field trips or any off-campus activity. This decision will be made jointly by teachers and the administration for a final decision. A parent will be required to attend if the student has a documented behavior problem. It is not our policy to punish students by not attending; however, it is our responsibility to ensure the safety of all students.

Students must have paid at least part of the supply fee in order to attend field trips in the first half of the year. Arrangements can be made with the administration and bookkeeper to make smaller payments throughout the year. This may be done by calling the school office.

Many field trips may require the assistance of parents. Parents are encouraged to attend to assist teachers. For this reason, siblings are NOT allowed to attend field trips. Parents will be required to provide their own transportation while on field trips. For safety reasons, students will not be able to leave the trip at any time to ride home with a parent.

SMOOTHIE DAY

Smoothie day will be on Thursdays. If a student checks in after 9:00 then NO money will be accepted to purchase a smoothie. Please send the exact change of \$3.00. Eastside does not have petty cash and teachers cannot always make change.

PARTIES

Students may have class parties during the year in which we may ask parents to assist. Since you will be assisting the teacher in many areas, siblings are not allowed to attend.

Any food items sent for parties/birthdays must be store bought and individually wrapped.

Personal party invitations may not be sent to school to deliver to friends unless each student in the class receives an invitation. Teachers will not hand out or allow your child to hand out invitations unless an invitation is provided for each classmate.

The administration encourages parents to conference with teachers before setting up a meeting with an administrator. Parents and teachers must work together as a team to provide the best education for every student. Conferences are held during the school's planning time at 8:00 a.m. each day except on the teacher's duty day. You may contact your child's teacher by sending an email, sending a note, or calling the office to leave a message.

Requests for make-up work will be honored for students missing two or more days of school. Homework requests must be made no later than 10:00 a.m. and must be picked up the same day. Please email your child's teacher to ask for assignments before coming to pick them up. Teachers need time to get these assignments together. Additionally, many assignments will be posted to Google Classroom. If you request assignments, please pick them up. Failure to pick up assignments will put any further requests in jeopardy.

HOMEWORK ASSISTANCE CHILD FUND

Homework services are offered through the State Library of Louisiana at <http://www.homeworkla.org/>

LPPS FAMILY RESOURCE CENTER

The centers address is: 9261 Florida Blvd., Walker, LA. 70785. The center can be contacted at 667-5268.

CHILD FIND

In Accordance with the State of Louisiana Child Search Program, annual and ongoing activities are conducted to identify and locate children (ages 3 through 21) suspected of being exceptional and needing special education and/or related services. If you have a child or know of a child between the ages of 3 and 5 years old who seems to have difficulty learning, help is available. Contact Heather

Thibodeaux, the Livingston Parish Public Schools Preschool Child Search Designee at (225)667-2080. If your child is school-aged, contact your home-based school district regarding these concerns.

CAFETERIA INFORMATION

If your child is allergic to any type of food you must contact Ashley Meyers, the school nurse at Ashley.Meyers@lpsb.org. A note from the doctor must then be provided to the office. When that food is served, the cafeteria staff will substitute the item with a different food. This can only be done if a doctor's note is on file. This must be updated yearly.

BREAKFAST

Breakfast is served daily for students from 8:00 a.m. until 8:20 a.m. Students must be in the cafeteria no later than 8:20 a.m. if they choose to eat breakfast. Students arriving after 8:20 will not be allowed to eat unless they ride a bus.

LUNCH

Lunch is served daily for students from 10:40 a.m. until 12:20 p.m. Students may also bring their lunch. Carbonated beverages, glass bottles or canned containers are not allowed in the cafeteria. Lunches brought to students (Wendy's, McDonald's, Taco Bell, etc.) are not allowed. It is a good idea for Pre-K and Kindergarten parents to practice opening lunch type items at home with your child.

PARENT MEALS

Due to the size of our cafeteria, we do not allow parents to eat with their children throughout the school year. Each homeroom will be assigned a parent lunch day during the year. Parents will receive an invitation for this day. Parents must have exact change to purchase their \$4.00 lunch. Carbonated beverages, glass bottles or canned containers are not allowed in the cafeteria. Lunches may not be brought in to students (Wendy's, McDonald's, Taco Bell, Subway, Cane's, etc.) on parent lunch days.

STUDENT DRESS CODE

The policy of the Livingston Parish School Board shall be that no mode of attire shall be considered proper for school wear that disrupts the classroom and/or the school's positive learning environment. The Livingston Parish School Board is responsible for achieving a systemwide dress code for appearance and dress among students that will promote the best atmosphere for teaching and learning.

DRESS AND PERSONAL GROOMING

It is the responsibility of each student to use good judgment regarding appearance and attire. Cleanliness shall be a basic consideration. STUDENT COMPLIANCE WITH THE UNIFORM DRESS CODE

The School Uniform Dress Code of Livingston Parish shall strive to achieve full compliance through use of incentives and positive reinforcement measures and will resort to disciplinary action only when positive measures fail to ensure compliance. In addition, the policy's rationale and benefits of the School Uniform Dress Code will be explained and fully understood by the student and his or her family.

The intent of this policy is not to inhibit or prohibit any student who is not in uniform from receiving the education to which he or she is entitled. Also, the intent of this policy is not to suspend or expel a student from class or from school or lower an academic grade as a result of not complying with the School Uniform Dress Code. However, non-compliance shall result in progressive disciplinary action being taken with the student.

No student shall be considered in violation of the School Uniform Dress Code in the following instances:

- A. When administrators allow exceptions to the uniform code for special events. (Ex. Dress-up day, athletes on game days, band, cheer, academic teams, clubs, picture day, band on regular meeting days, etc.)
- B. During the first ten (10) school days after transferring from out of the Parish to Livingston Parish Schools. During this ten (10) day period, appropriate dress (according to School Board Policy) shall be followed.
- C. When a student is on campus outside of normal school hours.

- One (1) day out school suspension for each offense due to willful disobedience.

****Students violating the uniform dress policy shall be taken to the clothes closet (donated uniforms) and will be given the appropriate clothing to change.**

By purchasing from an approved vendor, parents will be certain the uniform will be in compliance. In addition, a complete uniform (shirt, slacks, shorts, skirt, skorts, jumper, and belt) will be displayed in every school for parents to view. The acceptable color is the traditional khaki. The lighter stone color is not acceptable. The dark chocolate brown color and the dark green color are also not acceptable. LIVINGSTON PARISH PUBLIC SCHOOLS HEALTH RULES

The following guidelines are offered to help you determine when your child should not attend school. Please consider carefully a child's statement of feeling ill.

- **Diarrhea/vomiting:** Students who are vomiting or having diarrhea (2 or more watery stools) will be sent home from school. They will not be allowed to return until they are symptom free for 24 hours from the onset of symptoms.
- **Fever:** Students who have a fever of 100.0 F or higher will be sent home. Students will be readmitted after they have been fever free for 24 hours without the use of fever reducing medications. (ex: Tylenol, Motrin, or Advil).
- **Cold/flu:** Students with severe colds, sore throats, cough or "flu like" symptoms will not be allowed to stay at school. They should stay home for rest and proper attention to their symptoms.
- **Pink Eye:** Symptoms of pink eye such as eye drainage, crusty eyelids, redness on the white part of the eyes, swelling, and itching may indicate pink eye, which is a contagious disease. Children with these symptoms will be sent home and should be seen by a doctor for a diagnosis. A doctor's excuse will be required to return to school. If diagnosed with pink eye, the student must be on treatment for at least 24 hours before he can return to school. Some conjunctivitis may require the student remain at home until all symptoms are resolved.
- **Rash/Lesions:** A student with an undiagnosed rash or lesion will not be allowed to stay at school. Skin rashes or lesions will be considered possibly contagious until a student has seen his physician and has a note that it is ok to return to school.
- **Medication:** If your child needs to take medications for chronic conditions at school please contact your school nurse. State law requires a *medication administration form* be completed by the Physician and parent. This includes prescription and over-the-counter medications. If a student is prescribed a new medication, they must remain at home for 12 hours after the first dose to be observed for adverse reactions.
- **Lice:** A student's hair must be free of nits and bugs in order to remain at school. The student will be readmitted to school after the parent has treated the child and all nits and bugs are removed. After successful treatment, the parent will need to bring the student to the office to be rechecked for lice by school personnel before being allowed to stay at school. *It is recommended that parents check their child on a regular basis for signs of head lice.*
- **Immunizations:** Louisiana State Law Statute LA R.S. 17; 170 All students entering school for the first time shall present evidence of completed immunization records.
All students entering 6th grade AND 11 years old or any student that is 11 years old (regardless of grade) shall present evidence of age appropriate vaccinations including a Tdap Booster, Meningitis vaccine, and a second varicella (chickenpox).

Students that have not received proper immunizations may not be allowed to come to school if there is an outbreak of a communicable disease at school (Chickenpox, Measles, Pertussis, etc.). By state law, these students must be excluded from the school setting. These absences will not be excused.

Parents of students that are unable to receive their immunizations due to medical, religious, or personal reasons must submit a written *letter of dissent* that has been notarized. If this dissent is due to a medical reason, a written statement from the doctor must be received.

- Vision/Hearing: Students vision and hearing are screened by the school nurse in Pre-K, Kindergarten, 1st, 3rd, 5th, and 7th grades and from parent or teacher referrals. If a problem is detected notes will be sent home to the parent referring them to their physician for a more complete evaluation.
- Scoliosis: Students are screened in 6th grade for curvature of the spine. If signs are seen, students will be sent home with a letter referring them to their physician for a more complete evaluation.
- Medical Conditions: If your child has a chronic medical condition, contact the school nurse *annually*. Some examples of chronic medical conditions are as follows: Seizures/Epilepsy, diabetes, asthma, celiac disease, severe allergic reactions to insects or food that require use of an EpiPen or Benadryl during the school day. A SPECIAL DIET ORDER form is required *annually* from a physician if your child has specific food allergies.

If you have any questions or concerns, you may call Jennifer Wilkinson, RN School Nurse Coordinator at (225)686-4368 or contact the school nurse at your child's school.

Livingston Parish Public School System
Title I Family Engagement Policy
2021-2022

A Districtwide Family Advisory Council has been established in order to revise the current Livingston Parish Title I Parent and Family Engagement policy and expand the plan in accordance with the *Every Student Succeeds Act (ESSA) of 2015*, section 1112 of the Elementary and Secondary Act (ESEA). This council will meet regularly in order to coordinate and integrate family involvement, and evaluate the effectiveness of the policy. This policy will be made available to the local community and updated periodically to meet the changing needs of the families and the school. The ultimate goal is to ensure that all families within the district are provided the same opportunities for involvement in their child's education. The advisory council will also be informed of the process of the 1% of Title I, Part A funds reserved for family engagement. The Local Education Agency (LEA) will incorporate these ideas into the district-wide policy. If there are any unsatisfactory comments on the plan, these will be forwarded to the State Education Agency (SEA).

Under the direction and technical assistance of the Local Education Agency (LEA), each Title I school will have family members serve on the Schoolwide Committee, which will function to review the schoolwide plan and family activities for that school. This plan will be specific to the Title I school and will provide a means for families to become more involved in their child's education.

Consistent with section 1118 of the ESEA, an annual meeting will be held in each school in which family members will be given information about their school participation in the Title I program and related services, an explanation of the requirements of this participation and a school/family compact as required by section 1118(d) of the ESEA. Family members will also be informed of their right to parent-teacher conferences, regular reports on their children's progress, reasonable access to staff, opportunities to volunteer on campus, and to request information regarding the professional certifications of their student's classroom teachers. To the extent, which is practical, meetings will provide full opportunities for the participation of family members with limited English, members with disabilities and migrant parents following section 1111 of the ESEA. Information will be understandable and uniform.

One goal of this plan will be to improve communication between home and school through family/school compacts, newsletters, family-teacher conferences, handbooks, agendas, surveys, School Messenger recordings, electronic communications, such as: telephone calls, texts and emails, and school social media types of sharing information. It is important that family members respond to communications from the school in a timely manner and talk with their children about their classroom activities and behavior.

Another goal will be to provide information concerning the *Every Student Succeeds Act (ESSA) of 2015*, the State of Louisiana Accountability Law, the curriculum used at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet.

Title I schools will assist families with parenting skills, technology skills, and give assistance in helping with homework, projects, and other at-home activities. Families will be encouraged to take advantage of teacher conferences as a way of monitoring the progress of students. Schools will also provide opportunities for the local community to become more involved with families and with the school.

Family participation is essential to the success of the students. By monitoring the child's progress and working with educators to improve students' achievement, families provide a vital link between the school and the student. Students should know that their family values education and achievement and are available to help them to achieve their goals. Annually, each school will disseminate and collect family surveys to improve engagement. Results from the survey, if needed, will be used to revise family engagement policies at the school level.

It is Livingston Parish Public School System's goal to reach out to, communicate with and work with families as equal partners in our schools.

Livingston Parish Public School System
Title I Family Engagement Policy
(Politica de Participación Familia)
2021-2022

Un Consejo Asesor Familia ha sido establecido por el distrito con el fin de revisar la actual política de Livingston Parish Title I Family Engagement (Participación de la Familia) y ampliar el plan de conformidad con el *Every Student Succeeds Act (ESSA) of 2015*. Este Consejo se reunirá periódicamente con el fin de coordinar e integrar la participación de la familia y para evaluar la eficacia de la política. Esta política se pondrá a disposición de la comunidad local y será actualizada periódicamente para satisfacer las necesidades cambiantes de los padres y la escuela. El objetivo final es garantizar que todas las familias dentro del distrito sean proveídas de las mismas oportunidades de participación en la educación de sus hijos. El consejo asesor también será informado del proceso de los fondos del 1% del Título I, Parte A, Los Fondos Reservados para la Participación de los Padres-Familia. La LEA incorporará estas ideas dentro de la política de todo el distrito. Si hay algunos comentarios no satisfactorios en el plan, éstos se remitirán a la Agencia Estatal de Educación (State Education Agency/SEA, por sus siglas en ingles).

Bajo la dirección y la asistencia técnica de la Agencia Local de Educación, cada escuela Título I tendrá miembros de la familia sirviendo/ejerciendo en el Comité de la Escuela, que funcionará para revisar el plan de toda la escuela y las actividades de los padres de esa escuela. Este plan será específico a la escuela de Título I y proporcionará un medio para que padres-familia se involucren más en la educación de sus hijos.

Una reunión anual se llevará a cabo en cada escuela en la que se les dará a los padres información sobre la participación de su escuela en el programa Título I y los servicios relacionados, y una explicación de los requisitos de esta participación. Los miembros de la familia también serán informados de su derecho a las conferencias entre padres y maestros, informes periódicos sobre el progreso de sus hijos, el acceso razonable al personal, oportunidades para ser voluntario y participar en la clase de su hijo, y para solicitar información sobre los títulos profesionales de los maestros de sus hijos. En la medida de lo práctico, las reuniones de padres brindarán oportunidades para la participación de los miembros de la familia con inglés limitado, miembros de la familia con discapacidades y padres migrantes. La información será comprensible y uniforme.

Uno de los objetivos de este plan será el de mejorar la comunicación entre el hogar y la escuela mediante acuerdos entre padres-familia/escuela, boletines informativos, conferencias entre padres y maestros, manuales, agendas, encuestas, mensajes vía School Messenger Phone System, comunicaciones electrónicas tales como: llamadas telefónicas, mensajes de texto y correos electrónicos y otros tipos de intercambio de información. Es importante que los padres respondan a las comunicaciones de la escuela de una manera oportuna y que hablen con sus hijos sobre sus actividades en el aula. Otro objetivo será proporcionar información acerca del *Every Student Succeeds Act (ESSA) of 2015*, la Ley de Responsabilidad del Estado de Louisiana (State of Louisiana Accountability Law), el currículo usado en la escuela, las formas de evaluación académica utilizadas para medir el progreso del estudiante, y los niveles de competencia que se espera que los estudiantes cumplan.

Las escuelas Título I asistirán a las familias con las habilidades de crianza, habilidades tecnológicas, y darán asistencia para ayudar con las tareas, proyectos y otras actividades en el hogar. Los padres serán animados a tomar ventaja de las conferencias entre padres y maestros como una forma de monitorear el progreso de los estudiantes. Las escuelas también proporcionarán oportunidades para la comunidad local al involucrarse más con las familias y con la escuela.

La participación de familia es esencial para el éxito de los estudiantes. Al monitorear el progreso del niño/a y trabajar con los educadores para mejorar los logros de los estudiantes, los padres proporcionan un vínculo vital entre la escuela y el estudiante. Los estudiantes deben saber que sus de familia valoran la educación y los logros y están disponibles para ayudarles a alcanzar sus objetivos. Anualmente, cada escuela difundirá y recogerá encuestas de familia para aumentar la participación de la familia. Los resultados de la encuesta, si es necesario, se utilizarán para revisar las políticas de participación de familia en el ámbito escolar. Es la meta del Sistema de Escuelas Públicas del Condado de Livingston (Livingston Parish Public School System) lograr

“POPS” – POSITIVELY OUTSTANDING PATRIOTS SCHOOL WIDE POSITIVE BEHAVIOR PLAN

In an effort to increase student learning at Eastside Elementary, a school wide positive behavior plan called POPS (Positively Outstanding Patriots), is utilized. This plan is designed to encourage and reward students engaging in positive behavior by following school wide and classroom expectations and routines.

Each student will be given a folder or planner at the beginning of the school year. Students are responsible for “keeping up” with these items. Students will take this folder or planner to each class they attend. Comments will be recorded in the folder/planner for misbehavior. Copies of the behavior charts have been included in this handbook. The folder/planner will be sent home daily (Monday-Friday). A guardian must sign the folder/planner each day/week. Students will be responsible for bringing the folder/planner home and returning it to school. This will assist parents in being informed daily of positive behavior or any behavior concerns. If a student loses the folder/planner, they will be charged to have them replaced. Replacement folders are \$2 and planners \$5.

A discipline chart for each student in kindergarten through fifth grades will be maintained by each student’s teacher. A copy of the discipline chart is included in this handbook. All students will go through a progressive discipline program. Consequences become harsher as a student progresses through the plan.

Any student receiving any type of major discipline referral, including bus referrals will automatically lose the privilege of attending any reward activities for that period of time. Recess detention, parent/teacher conferences, office referrals, office recess detentions, morning detention, school suspensions and expulsions are all steps in this plan.

Students will be rewarded for their positive behavior. Students meeting the requirements of the “POPS” program will be rewarded with “POPS” parties during the school year. Because students are given some “leeway” with the number of checks they need to attain to attend a “POPS” party, students will not receive checks on days they are absent. Therefore, excessive absences between two “POPS” parties may result in a student not being able to attend. Remember “POPS” parties are a reward for those who earn the appropriate number of checks. Eastside students are given many opportunities to make good choices and receive the appropriate number of checks in order to attend the POPS parties. We need your support as parents to make this program successful. We ask that you not come to school to check your child out on POPS party days because he/she is not able to attend. The work that continues in the classroom is content related rather than punitive in nature. When parents have made this a practice in the past, we have not seen an improvement in behavior often because the child does not view the party as a reward for positive behavior.

Students will also be rewarded by receiving “patriot bucks.”

These bucks will be given to students by all staff members for exhibiting positive behavior. Students will be given opportunities to spend these bucks to purchase items on the “Buck Truck” throughout the year. Parents are encouraged to be part of this plan by volunteering their time to assist in many areas.

Each morning all students and staff recite a positive behavior pledge. This assists students in starting each morning with a reminder of how to be a “Positively Outstanding Patriot.” A copy of this pledge is included below.

In the handbook you will also find a copy of our school wide expectations. Please read and discuss these with your child to ensure that he/she understands them. Encourage your child daily to be positive and to always do their best.
